Contents

<i>List of figures</i>	x		
<i>List of contributors</i>	xi	PART III EVOLUTION OF THE	
<i>Preface</i>	xiv	PHARMA AND MEDTECH	
		INDUSTRY	
PART I SCENARIOS		11 Market access	30
		<i>Emanuele Marsili</i>	
1 Big data and artificial intelligence	2	12 Digital therapeutics	33
<i>Martina Cappellina</i>		<i>Elena Maggioni</i>	
2 Disruptive technology innovations	6	13 Biotech	36
<i>Claudia Bianchino</i>		<i>Francesco Bagordo, Antonella</i>	
3 Genomics	8	<i>De Donno and Tiziana Grassi</i>	
<i>Andrea Sommariva</i>			
4 Globalization	11	PART IV FOUNDATIONS OF	
<i>Houseyin Akyil</i>		HEALTH ECONOMICS	
5 Medical tourism	13	14 Baumol's cost disease	40
<i>Shir Sara Bekhor</i>		<i>David Brett Doerkson</i>	
6 Precision medicine	16	15 Disease mongering	42
<i>Valeria Mazzola</i>		<i>Giulia Gallo</i>	
7 Robotics	19	16 Moral hazard in health insurance	44
<i>Michele Giovanni Cusmai</i>		<i>Ana Paula Fontoura Andrade Reis</i>	
		17 Quasi-markets	46
PART II BASIC MODELS OF		<i>Mario del Vecchio</i>	
HEALTH SYSTEMS		18 Supplier-induced demand	48
8 Beveridge model	22	<i>Ghina el Nounou</i>	
<i>Yagis Bey</i>		PART V FUNDING	
9 Bismarck model	24	19 Payment mechanisms	51
<i>Assaf Ben Haim</i>		<i>Martina Pisarra</i>	
10 Market-driven model	26	20 Sources of funding	55
<i>Eric Berrou</i>		<i>Guido Noto</i>	
		21 Tariff vs price	57
		<i>Guido Noto</i>	

PART VI HEALTH POLICY PRINCIPLES		PART IX NEW PARADIGMS	
22	Equality and equity <i>Silvia de Donato</i>	60	36 Access to healthcare <i>Claudia Bianchino</i>
23	Universalism <i>Giulia de Fortunato</i>	62	37 Co-production <i>Marta Marsilio and Chiara Guglielmetti</i>
24	Well-being <i>Valentina Lombardi</i>	64	38 Demedicalization <i>Francesco Mazziotta</i>
PART VII INVESTMENT ANALYSIS		39	Evidence-based medicine <i>Pietro Magnoni</i>
25	Business planning of healthcare services <i>Giovanni Aguzzi</i>	69	40 From compliance to concordance <i>Bharat Nandakumar</i>
26	Sources of funding for investments <i>Clara Del Prete, Marta Marsilio and Fabio Amatucci</i>	71	41 Gender medicine <i>Eduardo Marra</i>
PART VIII LEVELS OF CARE		42	Global health <i>Giovanna Clerici</i>
27	Acute, sub-acute and post-acute care <i>Mehmet Can Cifci</i>	77	43 Health literacy <i>Sara Garlini</i>
28	Chronic care <i>Ana Ciobanu</i>	79	44 Initiative medicine <i>Preetha Karki</i>
29	Home care and community care <i>Claudia Bianchino, Davide Carnevali and Niccolò Principi</i>	83	45 Integrated care <i>Sanem Inci</i>
30	Hospital <i>Clara Del Prete</i>	86	46 Population health management <i>Federica Michelozzi</i>
31	Long term care <i>Zignat Courtoux</i>	91	47 Skill mix and task shifting in healthcare <i>Alfredo Marchetti</i>
32	Prevention <i>Elisabetta Pierini</i>	93	48 Value-based vs volume-based healthcare <i>Vanessa Maffi</i>
33	Screenings <i>Federica Natarelli</i>	97	PART X PLAYERS
34	Primary healthcare <i>Carolina Curti</i>	101	49 Boundaryless hospital <i>Benedetta Calcaterra Borri</i>
35	Secondary vs tertiary vs quaternary care <i>Magdalena Czajkowska</i>	104	50 Community and country hospital <i>Gloria Castelletti</i>

51	Intermediate and transitional care settings <i>Emilie Cozzani</i>	147	64	Professional vs managerial culture <i>Marco Sartirana</i>	182
52	Primary care center <i>Edoardo Campioli</i>	150	65	Professionalism <i>Marco Sartirana</i>	184
53	Research hospital <i>Navpreet Tiwana</i>	152	66	Stakeholder management <i>Andrea Rotolo</i>	186
54	Teaching hospital <i>Laura Cavazzana</i>	154	67	Teamwork <i>Luca Solari</i>	187
PART XI TRENDS			68	Turf wars <i>Elena Maggioni</i>	189
55	Business models <i>Federico Lega</i>	157	PART XIII PRACTICES		
56	Decentralization and devolution in healthcare <i>Federico Lega</i>	159	69	Change management <i>Riccardo Primavera</i>	193
57	Multidisciplinarity and inter-professionality <i>Anna Prenestini</i>	161	70	Disaster management <i>Clara Del Prete</i>	195
58	Telemedicine <i>Claudia Bianchino</i>	164	71	Leadership and leadership styles <i>Gabriele del Castillo</i>	199
59	Vertical and horizontal integration (hub and spoke network) <i>Alice Danieli</i>	168	PART XIV ROLES		
PART XII BEHAVIOURS: CHALLENGES TO LEADING HEALTH ORGANIZATIONS			72	Case manager <i>Annachiara Rotolo</i>	203
60	Accountability <i>Andrea Rotolo</i>	173	73	Clinical engineer <i>Paolo Oliva</i>	205
61	Accountable care plan and organization <i>Steven Howard</i>	174	74	Clinical leader <i>Peter Lees</i>	208
62	Iatrocacy, professional bureaucracy and corporatization <i>Federico Lega</i>	177	75	Controller <i>Clara Carbone and Bernardo Provvedi</i>	211
63	Political arena <i>Federico Lega</i>	180	76	Family and community nurse <i>Cecilia Rossi</i>	215
			77	General practitioner <i>Antoni Peris</i>	218
			78	Hospitalist <i>Sonia Maria Prevedello</i>	220
			79	Medical director <i>Giuseppe De Filippis and Pietro Manzi</i>	223

80	Operations manager <i>Marta Marsilio and Anna Prenestini</i>	225	PART XVIII ORGANIZATION	
81	Pharmacist <i>Maria Grazia Cattaneo, Sabrina Beltramini, Susanna Ciampalini, Domenica Costantino, Maria Cristina Galizia and Piera Polidori</i>	228	92	Clinical service lines <i>Aswathy Varma</i> 264
82	Quality and risk manager <i>Francesca Montesi Righetti</i>	233	93	Converging trends in hospital transformation <i>Federico Lega</i> 267
PART XV TOOLS SYSTEM AND PROCESS: DISEASE MANAGEMENT			94	Divisionalization, clinical directorates and Troika model in healthcare <i>Federico Lega</i> 271
83	Clinical governance <i>Gaia Ratti</i>	237	95	Organizational culture <i>Anna Prenestini and Stefano Calciolari</i> 273
84	Guidelines and protocols in healthcare systems <i>Alert Vukatana</i>	239	96	Organizational design and development for healthcare organizations <i>Federico Lega</i> 276
PART XVI INNOVATION MANAGEMENT			97	Patient-centered hospital and health organization <i>Gabriele Zimei</i> 281
85	Clinical trial <i>Davide Salvadori</i>	243	PART XIX PEOPLE	
86	Health technology assessment <i>Claudia Bianchino</i>	246	98	Clinical and professional engagement <i>Martyna Emilia Pszczolka</i> 285
PART XVII OPERATIONS			99	Great Place to Work® <i>Federica Natarelli</i> 288
87	Electronic clinical records <i>Anushka Shankar</i>	251	100	Magnet hospital <i>Michele Giovanni Cusmai</i> 291
88	Patient flow logistics <i>Stefano Villa and Rossella Pellegrino</i>	253	PART XX PERFORMANCE	
89	Patient management <i>Lisa de Felice</i>	256	101	Balanced scorecard in healthcare organizations <i>Anna Prenestini</i> 294
90	Supply chain <i>Shatakshi</i>	258	102	Budgeting (financial vs operational) <i>Michele Giovanni Cusmai</i> 298
91	Techniques for process and organizations improvement: lean management in healthcare <i>Marta Marsilio</i>	261	103	Customer satisfaction <i>Elena Maggioni</i> 301

104	DRG and case mix index <i>Francesca Grosso</i>	303	PART XXII PROCUREMENT	
105	Length of stay <i>Gabriele del Castillo</i>	305	111 Centralized procurement <i>Marta Marsilio</i>	324
106	Performance measurement and management systems <i>Anna Prenestini and Guido Noto</i>	307	112 Innovation procurement <i>Marta Marsilio</i>	327
107	PROMs and PREMs <i>Fivia Stavrou</i>	310	113 Managed entry agreements (MEA) <i>Benjamin Oskar and Francesca Randon</i>	330
108	Strategic control <i>Anna Prenestini</i>	313	114 Value-based procurement <i>Silvia Tarricone</i>	333
	PART XXI PLANNING		PART XXIII QUALITY	
109	Strategic planning <i>Andrea Rotolo</i>	318	115 Accreditation in healthcare <i>Marta Szlaszynska</i>	337
110	Strategy making <i>Corrado Cuccurullo</i>	320	116 Audit <i>Francesco Mazziotta</i>	340
			117 Quality management <i>Francesca Montesi Righetti</i>	343
			<i>Index</i>	346

Contributors

Giovanni Aguzzi, Director of Planning & Control, Purchasing and Centralized Programming at Centro Diagnostico Italiano

Houseyin Akyil, IMS (International Medical School) UniMi student

Fabio Amatucci, University of Sannio

Francesco Bagordo, Researcher in General and Applied Hygiene at the University of Bari Aldo Moro

Shir Sara Bekhor, IMS (International Medical School) UniMi student

Sabrina Beltramini, Head of Pharmacy, Hospital San Martino Genoa

Assaf Ben Haim, IMS (International Medical School) UniMi student

Eric Berrou, IMS (International Medical School) UniMi student

Yagis Bey, IMS (International Medical School) UniMi student

Claudia Bianchino, Market Access EMEA at Boston Scientific

Benedetta Calcaterra Borri, IMS (International Medical School) UniMi student

Stefano Calciolari, University of Milan – Bicocca

Edoardo Campioli, San Donato Hospital Student

Mehmet Can Cifci, IMS (International Medical School) UniMi student

Martina Cappellina, Specializing Student in Hygiene and Public Health at the State University of Milan

Clara Carbone, Head of Planning and Control, ASST Hospital North Milan

Davide Carnevali, Specializing Student in Hygiene and Public Health at the State University of Milan

Gloria Castelletti, IMS (International Medical School) UniMi student

Maria Grazia Cattaneo, Pharmacist and Head of Quality Control, Papa Giovanni XXIII Hospital, Bergamo

Laura Cavazzana, Specializing Student in Hygiene and Public Health at the State University of Milan

Susanna Ciampalini, Chief Pharmacist, Healthcare Planning, at Ministry of Health, Rome

Ana Ciobanu, IMS (International Medical School) UniMi student

Giovanna Clerici, Specializing Student in Hygiene and Public Health at the State University of Milan

Domenica Costantino, Head of Pharmacy, Local Health Authority, Reggio Calabria

Zignat Courtoux, IMS (International Medical School) UniMi student

Emilie Cozzani, San Donato Hospital Student

Corrado Cuccurullo, Full Professor Financial Reporting & Analysis – Corporate Governance – Performance Management at Campania University

Carolina Curti, IMS (International Medical School) UniMi student

Michele Giovanni Cusmai, ASST Rhodense, public hospital

Magdalena Czajkowska, IMS (International Medical School) UniMi student

Alice Danieli, IMS (International Medical School) UniMi student

Silvia de Donato, IMS (International Medical School) UniMi student

Antonella De Donno, Full Professor Hygiene and Preventive Medicine at Salento University

Lisa de Felice, San Donato Hospital Student

- Giuseppe De Filippis**, CEO Santa Maria della Misericordia di Perugia Hospital
- Giulia de Fortunato**, IMS (International Medical School) UniMi student
- Gabriele del Castillo**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Clara Del Prete**, Master in Disaster Management student at Tel Aviv University
- Mario del Vecchio**, Affiliate Professor of Government, Health and Not for Profit at SDA Bocconi School of Management
- David Brett Doerksen**, IMS (International Medical School) UniMi student
- Ghina el Nounou**, IMS (International Medical School) UniMi student
- Ana Paula Fontoura Andrade Reis**, IMS (International Medical School) UniMi student
- Maria Cristina Galizia**, Pharmacist at Policlinico Consorziiale Teaching Hospital, Bari
- Giulia Gallo**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Sara Garlini**, San Donato Hospital Student
- Tiziana Grassi**, Associate Professor of General and Applied Hygiene at the University of Salento
- Francesca Grosso**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Chiara Guglielmetti**, University of Milan
- Steven Howard**, Associate Professor, Health Management & Policy, Saint Louis University
- Sanem Inci**, IMS (International Medical School) UniMi student
- Preetha Karki**, IMS (International Medical School) UniMi student
- Peter Lees**, Former CEO, Faculty of Medical Leadership and Management, UK
- Federico Lega**, University of Milan
- Valentina Lombardi**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Vanessa Maffi**, IMS (International Medical School) UniMi student
- Elena Maggioni**, Fellow Researcher at the State University of Milan
- Pietro Magnoni**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Pietro Manzi**, Medical Direction Santa Maria della Misericordia di Perugia Hospital
- Alfredo Marchetti**, IMS (International Medical School) UniMi student
- Eduardo Marra**, IMS (International Medical School) UniMi student
- Emanuele Marsili**, Access Strategy Lead at Galderma
- Marta Marsilio**, University of Milan
- Francesco Mazziotta**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Valeria Mazzola**, IMS (International Medical School) UniMi student
- Federica Michelozzi**, IMS (International Medical School) UniMi student
- Francesca Montesi Righetti**, Healthcare and Risk Manager Consultant
- Bharat Nandakumar**, IMS (International Medical School) UniMi student
- Federica Natarelli**, IMS (International Medical School) UniMi student
- Guido Noto**, Researcher in Business Economics at the Department of Economics at the University of Messina
- Paolo Oliva**, Head of Clinical Engineering Service at Humanitas Hospital
- Benjamin Oskar**, Senior Global Market Access Manager at Hansa Biopharma
- Rossella Pellegrino**, Catholic University of Milan
- Antoni Peris**, Director-Gerent CASAP – Consorci Castelldefels Agents Salut
- Elisabetta Pierini**, Specializing Student in Hygiene and Public Health at the State University of Milan
- Martina Pisarra**, Fellow Researcher at the State University of Milan

Piera Polidori, Head of the Pharmacy at Villa Sofia Hospital, Palermo

Anna Prenestini, University of Milan

Sonia Maria Prevedello, IMS (International Medical School) UniMi student

Riccardo Primavera, IMS (International Medical School) UniMi student

Niccolò Principi, Specializing Student in Hygiene and Public Health at the State University of Milan

Bernardo Provvedi, ASST Hospital North Milano

Martyna Emilia Pszczolka, IMS (International Medical School) UniMi student

Francesca Randon, Market Access & HEOR Head Jazz Pharmaceuticals

Gaia Ratti, IMS (International Medical School) UniMi student

Cecilia Rossi, IMS (International Medical School) UniMi student

Andrea Rotolo, Lecturer di Government, Health & Not for Profit in SDA Bocconi School of Management

Annachiara Rotolo, San Donato Hospital Student

Davide Salvadori, IMS (International Medical School) UniMi student

Marco Sartirana, Research fellow at the

Centre for Research on Health and Social Care Management (CERGAS) of SDA Bocconi School of Management

Anushka Shankar, IMS (International Medical School) UniMi student

Shatakshi, IMS (International Medical School) UniMi student

Luca Solari, Full Professor Department of Political and Social Sciences of the State University of Milan

Andrea Sommariva, Specializing Student in Hygiene and Public Health at the State University of Milan

Fivia Stavrou, IMS (International Medical School) UniMi student

Marta Szlasyńska, IMS (International Medical School) UniMi student

Silvia Tarricone, IMS (International Medical School) UniMi student

Navpreet Tiwana, Specializing Student in Hygiene and Public Health at the State University of Milan

Aswathy Varma, IMS (International Medical School) UniMi student

Stefano Villa, Catholic University, Milan

Alert Vukatana, IMS (International Medical School) UniMi student

Gabriele Zimei, San Donato Hospital Student
